

DECLARATION OF APPROVAL FOR CONTACT WITH FOOD

3D FILAMENT BioCREATE HT
date of issue: 30.06.2020
date of update: 09.06.2025

Material name:

BioCreate HT

Brand names:

BioCreate HT filament 1,75 mm

This document assures that the BioCreate HT filament for 3D printing from ROSA3D Filaments is produced using raw material suitable for use in food-contact applications in the European Union (EU).

The product stated above is compliant with the requirements for plastic materials used for articles or parts of articles intended to come into contact with food in accordance with the following European legislation:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC;
- Commission Regulation (EU) No 10/2011 of 14 January 2011 on plastic materials and articles intended to come into contact with food (and amendments).

Since the production of the final product intended for contact with food is not controlled by ROSA3D Filaments, the company makes no warranty, express or implied, and accepts no responsibility in connection with the use of this information. In addition, our statement of assurance is subject to the conditions set out in the invoice or other contract or shipping document issued by ROSA3D Filaments with respect to any limitation of liability.

With best regards,

ROSA PLAST Sp. z o.o.
